Special Meeting was not called to order, due to no quorum present at start of meeting.

Dan Bryne from Innovo Benefits Administration talked to the committee members about PEIP health insurance and covered the 3 Step Instructions for enrollment in the Public Employees Insurance Program Advantage Plan (PEIP).

Step 1 City can offer 3 plan levels or less of the 3 levels (Advantage-High, Value-Medium, HSA-Low) and employee chooses which plan they want

Step 2 Employee chooses a Health Plan/Network including any of the 3: Health Partners, Blue Cross Blue Shield, Preferred One.

Step 3 Employee or family member (if city offers family) chooses their own Primary Care Clinic. Each clinic falls under one of the Cost Levels 1 thru 4, each with varied benefit provisions.

Mr. Byne will be sending the city ball park figures for rates of 25, 35, 45, 55 years old.
